

City of New Buffalo
2020 Season

Beach Vehicle Pass

Register up to
TWO vehicles

In registering a vehicle today, I acknowledge this is a privilege offered to City of New Buffalo tax payers. I have been made aware to qualify for a City Beach Pass a vehicle MUST have a valid registration, insurance and plates. Any time I am not in a city registered vehicle, I will be subject to any Pay-To-Park fees or citations received for failure to pay. I know passes will not be issued to parties or vehicles with outstanding citations and are subject to revocation for failure to pay. I take full responsibility in advising those in possession of this registered vehicle of all policies. For clarification/questions and to update registrations, please contact NBPD's Parking Enforcement Department.

**Please return form in the drop box at City Hall OR email to
